

# Welcome To Internet Banking

## I'm set up... now how do I use Internet Banking?

Internet Banking is an easy and convenient way to do your banking. However, if you've never used Internet Banking before, you may have questions or you may simply want to learn how to do something new in Internet Banking.

That's why we created a comprehensive selection of short 'How-To' videos that will walk you through how to do almost everything in Internet Banking.

## Where Can I find these How-To Videos?

The How-To videos are located on our [encompasscu.ca](http://encompasscu.ca) website. Just follow this path:
